

**BANCROFT STREET RECONSTRUCTION PROJECT
NEIGHBORHOOD PUBLIC MEETING #2
SEPTEMBER 26, 2013
COLLINGWOOD PRESBYTERIAN CHURCH**

AGENDA

6:00 – 6:15 Design Process and Principles of Design

Overview of design process and current status, seek consensus on principles to guide our efforts on project design

6:15 – 6:55 Discussion of Three Preliminary Alternatives for Design of Section from Collingwood to Glenwood and Two Concepts for Glenwood Gateway

The Design Review Team has three alternatives for the one section to review and discuss and receive input on. We'll take ten minutes for each alternative and begin to review three questions together (more time for individual discussion during the "open house"):

- 1) Any Questions of Understanding – is the concept clear?
- 2) What do you like about this alternative?
- 3) What don't you like about this alternative? Are there concerns?

7:00 – 7:45 Open house with stations on each alternative

Drawings of the alternatives will be posted at different locations and individuals will be encouraged to discuss specific questions with staff and team members at each location. Comments can be written on post-it notes and placed at each area.

*** SECTION 106 DESIGN CONSULTATION MEETING ***
