

EXHIBIT 6 - Next neighborhood meeting on September 26, 2013

- Suggestions:
- 1) 6:00 PM to 7:30 PM
 - 2) Open with design process discussion
 - visual of process
 - See if we can agree on design principles
 - Explain alternatives for today - what they do include and do NOT include (details such as type of trees – street light fixtures – sidewalk materials - neighborhood look – bus stop details, etc. – all come later)
 - 3) Two portions of meeting (presentation of alternatives and then specific 106 input/reaction)
 - 4) Use presentation format with three questions about each alternative and then open house around graphics of the alternatives concurrent with the 106 meeting.
 - 5) Sticky notes (and/or 3 x 5 cards) to allow persons to write comments if they don't want to speak during the meeting.
