DIVISION OF TAXATION AND TREASURY

To Whom It May Concern:

The City of Toledo has a municipal income tax that is applicable to all construction work performed in the city. This construction activity is covered under Section 798.01 of the Toledo Municipal Code which requires tax registration when construction work is performed. In order to become registered with the City of Toledo Division of Taxation, you must complete the questionnaire on the reverse side of this letter. This questionnaire can be returned by facsimile at telephone number (419) 936-2318. A deposit of \$250 is required at time of registration. This deposit will be applied towards your estimated net profits income tax.

The rate of Toledo municipal income tax is two and one-quarter percent (2-1/4%). As an employer, you are required to withhold municipal income tax from all compensation paid to your employees while working inside the City of Toledo. You must also pay tax on net profits attributable to Toledo projects. Completing this questionnaire will enable us to furnish the proper forms to you to effect compliance with the Toledo Income Tax Ordinance and the Construction - Tax Registration Ordinance.

If your account number is listed under another name, please call the Division of Taxation at (419) 245-1662. We will make the necessary changes to our database.

Thank you for your consideration in this matter.

Sincerely,

Division of Taxation and Treasury
