Narratives

Areas of Greatest Need:

The City of Toledo has been severely impacted by home foreclosures. According to RealtyTrac, a recognized leader in collection of foreclosed data, foreclosure filings in metro-Toledo rose from 2,086 in the first six months in 2006 to 3,152 in the first half of 2007- a 51% increase. RealtyTrac stated that metro-Toledo ranked 20th worst among the nation's 100 biggest cities in foreclosure activity for the third quarter of 2007. Toledo placed 37th among the nation's top 46 metropolitan areas in the number of foreclosures in the first quarter of 2008. There is little indication that the problem is abating. The data from RealtyTrac portrays a very serious foreclosure situation in Toledo. It is noteworthy to stress that foreclosed properties are not confined in the central city, but scattered throughout the city. A total of 1,897 properties with Toledo addresses were sold at the Lucas County Sheriff's Sales from October 1, 2007 through September 30, 2008. The City of Toledo created a five-step priority ranking from the HUD-provided Census Tract Block Group data, with ten as the areas of greatest risk of foreclosures and further deterioration. The rankings are as follows: Risk Factor 10: 10,11,16,17,18,19,21,22,23,25,26,33,34 Risk Factor 9: 2,37,12.01,43.02,73.03,63,65,62,57.03 Risk Factor 8: 79.02,59.01,60,61,75,72.04,86 Risk Factor 7: 78,77,73.01,72.05,72.02,72.03 Risk Factor 1-6: 83.02,83.01,45.04,13.01,13.04,100.01,100.02 The other two areas of greatest need; namely, areas with highest percentage of homes financed by a subprime loan and areas identified by the grantee as likely to face a significant rise in the rate of home foreclosures

Distribution and and Uses of Funds:

The NSP funds will be spent in the three stipulated need categories which include areas with greatest percentage of home foreclosures, areas with the highest percentage of homes financed by subprime mortgage-related loans, and areas identified as likely to face a significant rise in the rate of home foreclosure. To comply with NSP regulations, 100% of the NSP funds (\$12,270,706) shall be used to benefit individuals and households, whose incomes do not exceed 120% Area Median Income (AMI) (see Attachment A). As required by the regulations, the City of Toledo will ensure that at least 25% (\$3,067,678.50) of the NSP funds shall be used to benefit individuals and households whose income does not exceed 50% of AMI. Administration cost of the program will not exceed 10% (\$1,227,070.60) of the NSP grant and 10% of the program income. The City of Toledo intends to use the funds in five primary activities, plus administration: 1) Acquisition/Rehabilitation (NSP 1); The City anticipates spending \$2,426,770.70 to acquire and rehabilitate 25 houses for occupancy by individuals and families whose income do not exceed 50% AMI. With these funds, it is anticipated that at least 25 households with incomes at or below 50% AMI will be able to occupy the rehabilitated units. 2) Demolition (NSP 2); The City of Toledo plans to spend \$1,618,110 to demolish 220 housing units. Demolition will be used as a strategy to remove blighted structures in the targeted neighborhoods within the central city. The priority central city neighborhoods include: Chase, Garfield, Sherman and Stewart Elementary School districts, the Dorr Street Corridor area, the Old South Toledo La Onda neighborhood, Victoria Hill Coalition/Prentice Park neighborhood, St. Vincent Legacy neighborhood, Ironwood neighborhood and Hi-Level neighborhood. 3) Redevelopment/New Construction (NSP 3); Redevelopment activities would be used as infill in some tipping-point neighborhoods, or be used to implement adopted New School New Neighborhood strategies. Twelve single-family houses, or rental units are planned for construction at an estimated cost of \$1,920,000. The City of Toledo plans to subcontract with third-party developers for this activity. 4) Landbanking (NSP 4); The City of Toledo has budgeted \$235,535.40 towards landbanking activities. Most of the funds under this activity will be used to clean, mow, and maintain privately owned, vacant properties for which the city will bill the owner for actual costs. Some of the funds may be used to purchase properties and demolish them for future development. 5) Financing Mechanisms (NSP 5); Financing Mechanisms may include down-payment assistance and permanent financing loans, and grants for rental and owner-occupied housing. The down-payment assistance and permanent financing loans, and grants for rental and owner-occupied housing will come from program income generated from payments of construction financing. 6) Administration (NSP 6). While \$435,420.60 is budgeted to the City of Toledo for personnel costs to administer its Neighborhood Stabilization Program, the remaining funds (\$791,650.00) will pay for the administrative costs of outside contractors, vendors, equipment and supplies.

Overall Progress Narrative:

Over 150 people came to see one of the completely rehabilitated houses in February 2011. In March 2011, the city received 82 calls from individuals and families to inquire about NSP1. Marketing the program through area radio stations triggered the high number of calls. The city continued to refer interested homebuyers to the Housing Counseling Agencies to take the HUD required 8-hour class prior to purchasing any houses through NSP. Four houses were sold during the quarter although the disbursement of one of the sold houses was not reported due to its late June sale. The city spent \$275,252.91 on administrative activities during this quarter. Four houses were sold and three were completely rehabilitated during the quarter. The city demolished 65 blighted structures consisting of 71 units during the quarter at a cost of \$156,993.51.

Activity Description:

The City of Toledo's original goal was to rehabilitate 2 houses. Due to the receipt of program income, two more units are being rehabbed under this activity.

Location Description:

Toledo, OH

Activity Progress Narrative:

The City of Toledo projected to rehabilitate four houses. The city completed and sold one of its houses (821 S. Detroit) during the quarter, which generated \$107,000 in program income. Disbursement of the funds (program income) from the sale of the house was not reported in this quarter because the sale took place late in June. The remaining three houses are under various stages of construction.

CITY OF TOLEDO	\$0.00	\$742,470.15
Match Contributed	\$0.00	\$0.00

Activity Description:

The City of Toledo will utilize marketing strategies to provide maximum publicity and public awareness. Activities include: workshops and a bus tour to expose participants to the beautiful and clean NSP target neighborhoods.

Location Description:

Toledo, OH

Activity Progress Narrative:

The city continues to receive calls from the public about NSP1. Aggressive marketing, particularly through area radio stations, contributed to the sale of four houses during this quarter. Disbursement of the funds (program income) from the sale of one of the houses was not reported in this quarter because the sale took place late in June. The city continued to refer interested homebuyers to the Housing Counseling agencies. This HUD required 8-hour class is part of the placement for homebuyers prior to purchasing any houses through NSP. The city spent \$275,252.91 on administrative activities during this quarter.
