

*Is your plumbing ready for winter?
Do you know when to suspect a water leak?
Wonder how to read your utility statement?
Questions about winter averaging?
Want to learn how to protect our watershed?
Need to know how to winterize rain barrels?*

Professionals from the Department of Public Utilities and its partners will talk informally with citizens about these issues and more at a

FREE Water Clinic
Saturday, October 24, 2015
10 am to 2 pm

Home Depot
(Secor & Central only)
