Dock Permit Requirements

First: Go to the One Stop Shop at Building Inspection on the 16th floor of Government Center and fill out a Flood Plain Development Permit and obtain an USACE Permit or downloaded from this link:

<http://www.usace.army.mil/Missions/CivilWorks/RegulatoryProgramandPermits/ObtainPermit.aspx>

Documents needed for Flood Plain Development Permit

1. Dimensioned scale plan drawing(s) with street address, property lines, shoreline, location of proposed dock(s), existing docks and wharfs, posts, piles, pile clusters, fenders, dolphins, permanent mooring piles, dike easements, harbor line and any other pertinent necessary property or adjacent property features as applicable,

2. Dimensional scale drawing of the proposed dock structure with major features.

Once the One Stop Shop has all the required documents they will be forwarded to the appropriate agencies for approval.

Second: Return a copy of your approved USACE Permit to the One Stop Shop.

No permit will be issued until all agencies have signed off.
