Toledo Profile

History:

Toledo is the fourth most populous City in the state of Ohio. Toledo is in northwest Ohio, on the western end of Lake Erie, and borders the state of Michigan. Toledo's history dates back to 1794, when General Anthony Wayne won a decisive victory at the Battle of Fallen Timbers over a coalition of Native American tribes to open the area for settlement. The City was founded in 1833 on the west bank of the Maumee River and was originally incorporated as part of Monroe County, Michigan Territory. It was re-founded in 1837, after conclusion of the Toledo War, when it was incorporated in Ohio¹.

Toledo Today:

The population of Toledo as of the 2010 Census was 287,208 and a 2013 population estimate shows the population is down slightly to 282,313. Toledo has a multicultural heritage and contains a number of neighborhoods that retain their international ties. It is the model midwestern city with a high quality of life and a low cost of living. Toledo is a proud, vibrant and diverse community that is home to a number of first-class academic institutions, a modern public school system, the internationally recognized Toledo Museum of Art, a spectacular zoo, world class parks, premium restaurants, nationally and internationally known products, a reenergized downtown, vibrant neighborhoods, top-rated healthcare systems, and an exemplary public library system.

City of Toledo Population Breakdown²

Population (2010 Census): 287,208

Median Resident Age: 34.2 years

Median household income: \$34,170

Toledo was affected greatly by the 2008 recession. In 2009, Toledo's unemployment rate hit its highest peak at nearly 14%. Since that time, the economy has seen improvement and the unemployment rate has dropped to 4.9%.

Toledo Economy

Toledo has a diverse economy bolstered by three major industries: manufacturing, healthcare and education. Toledo is home to the world headquarters of major corporations, including Owens Corning and Libbey Glass. Other major employers include The University of Toledo, Fiat Chrysler Automotives/FCA, General Motors, ProMedica Health Systems (ProMedica), Mercy Health Partners, and Toledo Public Schools. With ten major financial institutions, Toledo is also the banking and finance center for northwest Ohio.

The City was greatly affected by the 2008 economic crisis that hit the country. At one point during the recession, Toledo's unemployment rate topped 14%. In recent years the City has rebounded. Unemployment figures have declined and income tax revenues are increasing. Toledo is a city with a bright economic future.

Toledo's Three Major Industries:

Manufacturing:

Manufacturing comprises about one-fifth of Toledo's economic base. Hundreds of manufacturing facilities are located in the Toledo metropolitan area. This includes automotive assembly and parts production plants as well as glass and solar panel production facilities.

Fiat Chrysler Automobiles, the largest manufacturing employer in the Toledo MSA, completed approximately \$600 million of improvement and expansion projects at its area plants in 2013 and 2014. With those projects complete and its plants in full operation, Fiat Chrysler announced in February 2015 that employment at its Toledo Assembly Complex had increased to 4,938 workers. Fiat Chrysler produced more than 500,000 vehicles at the Assembly Complex in 2014, substantially exceeding the prior record of 378,000 as demand for the models produced at the plant was exceptional. That made it the second busiest automobile manufacturing plant in the United States in 2014.¹

Healthcare:

Healthcare has emerged as one of the strongest industries in Toledo. The healthcare industry has grown with the expansion of ProMedica and Mercy Health Partners, the two largest providers in northwest Ohio. Combined, these two companies employ over 16,000 people.²

Mercy Health Partners is investing more than \$1 billion in its current facilities and will maintain more than 2,700 employees. Much of this investment is in the downtown area. In addition to ProMedica and Mercy Health Partners, Toledo is home to the University of Toledo Medical Center (UTMC). The UT Medical Center at the Health Science campus and is educating the next generation of physicians, nurses and other health care professionals.

Education:

The education industry also plays a significant role in Toledo's economy as the area is home to several educational institutions. Located in the City, the University of Toledo is a State university with enrollment of more than 20,000 students. The university and its Medical Center employ approximately 6,485 people.³ The Toledo area is also home to Owens Community College and Lourdes University.

Education (continued):

Toledo also has the fourth largest public school system in the state of Ohio with approximately 22,000 students. Toledo Public Schools employs approximately 3,771 people in its administrative, teaching and support staff.¹ Toledo is also home to the Washington Local School District in northern Toledo. Several charter schools and private primary schools are also present in the Toledo area.

Toledo Moving Forward²

In 2014, Fiat Chrysler, which produced a record 240,000 Jeep Wranglers at the Toledo Assembly Complex, announced that it would require a new or significantly updated plant for the production of the next generation of the Wrangler model. Though Fiat Chrysler's leadership asserted that its employment at the Assembly Complex would not be reduced if the production of the new Wrangler were moved to a new site, the City actively sought to retain production of the Wrangler in the City, the only place the model has been manufactured in its history. The City assembled and is remediating and preparing a 105-acre site adjacent to the Assembly Complex that would be suitable for a plant expansion or available for business development. In addition, in cooperation with the County, the Port Authority and the State, the City has submitted a proposal to provide substantial assistance to Fiat Chrysler in financing and constructing a plant for the manufacturing of vehicles on that site. Though no decision has been made on the expansion, Fiat Chrysler announced Jeep Wrangler production would remain in Toledo.

In May 2015, the ProMedica Health System, the largest employer in the Toledo MSA, announced that it would be undertaking a \$350 million project to extensively renovate existing facilities and construct a new 615,000 square foot tower for patient rooms and a new intensive care unit in its children's hospital on its Toledo Hospital campus in the City. ProMedica also announced that the project is to be financed from private sources, and no government subsidies or tax credits are anticipated to be required. The project is expected to commence in 2016 and to be completed in 2019. The City has provided certain infrastructure improvements, including an interchange on Interstate 475 in the area of the Hospital campus, that will support the project.

ProMedica had previously announced in November 2014 a plan to relocate its headquarters to a central campus in the Downtown area of the City. That plan provides for the renovation of an historic building, the former Toledo Edison Steam Plant, and an adjacent office building on the Maumee River and the construction of a six-story parking garage. The City and ProMedica have entered into a development agreement pursuant to which ProMedica has agreed to invest at least \$50 million in the campus and the City has agreed to provide certain land for a parking garage and infrastructure improvements in support of the project. Additionally, the City has agreed to maintain and improve an adjacent park to be incorporated as a part of the campus and to provide a seven-year property tax abatement and other financial incentives after it is completed. The project is expected to be completed in 2016. When completed, ProMedica is anticipated to have 1,000 administrative staff members in its new downtown headquarters, including 525 who are currently working outside the City. By 2019, ProMedica has committed to having 2,500 total jobs, with an average salary \$48,000, at the new headquarters. The City expects the project to promote additional development in the Downtown area of the City.

Toledo Moving Forward (continued)¹

The downtown area will see continued development in Toledo's Warehouse District in 2016. The Toledo Mud Hens Baseball Club announced its plans for an estimated \$19 million public/private partnership project to renovate three 19th century buildings and create the "Hensville" entertainment district with dining, event and retail space adjacent to Fifth Third Field. The project, which also includes the redevelopment of a parking lot in the district into a park to accommodate larger gatherings for concerts, theatres and food festivals, sporting events and other activities is currently under construction and is expected to be completed by April 2016.

In addition to their current Hensville project, the Toledo Mud Hens recently purchased the historic KeyBank building in central downtown Toledo. The building will be turned into an entertainment venue for downtown. Though the building will be updated, much of the historic elements and impressive interior design will remain in place. The project is expected to be completed in late 2016.

2016 Budget Priorities

The 2016 budget continues to support public safety, the strengthening of the City's fiscal position, economic development and improved public utilities.

Support Public Safety

The 2016 budget funds new police class of 30 officers scheduled to start in November and a new class of 40 fire recruits scheduled to start in September. With the addition of these new officers and fire fighters both the Police and Fire & Rescue Departments will provide services to further protect the community.

The Police Department has and will continue practicing "beat integrity" which means officers are assigned to the same neighborhoods in order to understand the specific problems of the area and respond more effectively. In addition, the Police Department also will continue the Community Initiative to Reduce Violence (TCIRV), a community based policing effort targeting gang members to help deter crime in all neighborhoods around the City. The TCIRV has continued to improve since its implementation in 2012.

The Police Department also has a K9 unit with 10 members and a Mountain Bike Unit, which serves both the downtown area as well as various community events.

In 2016, the Police Department will also continue to improve and enhance the Data-Driven Policing initiative which began in 2012. In 2015, the department continued to build-out the infrastructure for the Data Driven Policing initiative and also implemented the use of body cameras. Combined, these new initiatives are improving community relations and holding officers more accountable.

The Fire & Rescue Department, in 2016, will continue its mission of protecting the community from fires and other emergencies. The department will continue to promote community education related to fire safety, emergency disaster planning and continuous training for all fire personnel.

Maintain Fiscal Stability

The 2016 budget reflects a reduction in the transfer of funds from the Capital Improvement Fund to the General Fund to support operating expenditures. Previous budgets relied on as much as a \$14,100,000 transfer. The 2016 budgeted transfer from CIP to the General Fund is \$10,440,000. This reduction reflects the Administration's continued commitment to long term fiscal stability and maintaining or improving the City's bond ratings. In September of 2015, the City's bond ratings were affirmed by Moody's and Standard and Poor's. Moody's affirmed the City's A2 rating with a stable outlook and Standard and Poor's affirmed the City's A- rating with a stable outlook.

In November of 2015, the City of Toledo showed its commitment to increasing transparency by announcing its participation with OhioCheckbook.com. OhioCheckbook.com, an initiative through the Ohio Treasurer, is an online tool that enables citizens to view expenditures by a number of different categories (fund, department, vendor), with the ability to drill down to individual transactions. Toledo was the first major city in Ohio to have expenditure data available on the Ohio Checkbook website. Now, anyone can view detailed information regarding the City's expenditures in 2014 by logging on to toledo.ohiocheckbook.com.

2016 Proposed Operating Budget

Economic and Business Development

In 2016, the Department of Economic and Business Development will continue its work to support the creation and retention of employment opportunities in Toledo. Incentive tools include gap financing, property tax exemptions and income tax credits. The Department will continue working on land assembly in over a dozen areas of the City to promote job creation. Development Specialists will work with new and existing businesses to navigate the processes associated with building construction and expansion.

In 2015, the Department of Development completed land assemblage and site preparation of over 100 acres for expansion of automobile production, sold the Erie Street Market to promote private sector investment in the Warehouse District, created a Joint Economic Development District around Toledo Express Airport, and entered into a Development Agreement with ProMedica for revitalization of Toledo's downtown. In 2016, the Department will continue to eliminate barriers and assist in making Northwest Ohio a business-first environment by providing financial incentives, technical support and by promoting Toledo's strategic location.

Stabilize Neighborhoods

In 2016, the City will continue its participation with the Lucas County Land Bank demolition program. Since 2012, City of Toledo's Division of Code Enforcement and the Division of Streets, Bridges and Harbor has partnered with the Lucas County Land Bank to demolish vacant and abandoned properties. Funding for these demolitions comes from a grant awarded by the Ohio Attorney General for this purpose. It is estimated that in 2016 over 400 vacant properties will be demolished.

In addition to completing demolitions, the Division of Streets, Bridges and Harbor will increase its alley cleaning services, which will reduce blight in many neighborhoods across the City.

Improving Public Utility Systems

The City Department of Public Utilities is currently undergoing significant improvements and renovations at the Water Treatment Plant and as part of the Toledo Waterway Initiative. To address issues caused by harmful algae blooms, the Hicks-Hudson Administration is accelerating some of its previously planned improvements to the Water System, including significant improvements to its activated carbon feeding capacity and potassium permanganate treatment capacity. In addition, the City has begun a major program of improvements to rehabilitate and replace portions of the Water System's intake, treatment and distribution facilities.

Budget Preparation and Process

City of Toledo

2016 Proposed Operating Budget

Budget Preparation and Process

Policy and Process:

Section 45 of the Charter of the City of Toledo identifies the fiscal year for the City as beginning on the first day of January and requires that on or before the fifteenth day of November of each year, the Mayor must prepare a balanced budget estimate of the expenses of conducting the affairs of the City for the following fiscal year. The estimate is compiled from detailed information obtained from the various City departments.

This document represents the 2016 balanced operating budget. Per the Charter, Council is required to pass a balanced budget no later than March 31, 2016. Council passed the 2015 operating budget on March 19, 2015.

Prior to passage, the Administration works with City Council to hold budget hearings to review all departmental budget requests and discuss revenue and expenditure assumptions. Information about these budget hearings may be found on the City's website as they are scheduled. There are opportunities for public input at these meetings.

Background:

The City's budget process emphasizes the role of departments and divisions in all stages of the process, including the initial crafting of the budget, the presentations to City Council, and the ongoing monitoring of the budget throughout the year. The budget works from the assumptions that (1) the role of departments is to fully know and understand the programs that their department is responsible for, including the budgetary implications of their programs, and (2) the role of the Finance Department is to coordinate the budget process, provide technical assistance to departments as needed, and moderate the budgetary requests of departments given scarce resources. The process as a whole is an interactive one. The Finance Department maintains an open dialogue with departments and divisions. Departments and divisions also utilize the City's SAP financial system for reports that help to guide decision making on their own and within the parameters of an approved budget.

Budget Documents:

This budget document, as well as a detailed schedule of the 2016 budget, are available online at www.toledo.oh.gov.

City of Toledo Budget Elements

Elements of the Budget

Revenue Budget. The revenue budget includes all dollars expected to be received by or as a result of the operations of any agency of the City of Toledo.

Expenditure Budget. The expenditure budget includes all dollars expected to be expended for any purpose from any fund by any agency of the City of Toledo. It is subdivided into the personnel and non-personnel budgets.

Personnel. The personnel portion of the budget includes all regular and supplemental wages paid to City employees. It also includes the cost of benefits associated with these wages, including medical and pension benefits.

Non-personnel. The non-personnel portion of the budget includes purchases of goods and services aside from personnel, including supplies, contractual services, utilities, and other items.

Funds. The City of Toledo has several different funds, including the General Fund, the Capital Fund and many others. All revenues and expenditures flow into and out of one or more of these funds. The vast majority of the attention paid during the budget process is to the revenues and expenditures associated with the General Fund. However, the budget process includes development of a budget that covers all City funds.

Grants. Grants are funds which are received by the City from outside entities including the state and federal governments. Depending on the purpose of the grant and the timeframe of the grant, the City usually has the capability to carry the funding until the completion of the grant work. Upon grant award, departments prepare legislation to accept and appropriate the final grant award.

City of Toledo Budget Book Organization

Organizational Structure

The operating budget provides a framework for preserving priority city services within financial constraints. The City of Toledo is organized on a department/divisional basis and operations are accounted for through various funds and cost centers. Each divisional budget is within a particular fund of the City, with revenue and expense items assigned to various cost center and commitment areas. Each department budget is presented in this book by showing expenditures by fund, expenditures by category, and a full-time equivalent (FTE) budgeted position history.

Revenues and Expenditures - General Fund

City of Toledo

2016 Proposed Operating Budget

General Fund Revenues and Other Sources

Income Taxes

Revenue from income taxes accounts for the largest share of General Fund resources. The City's income tax rate is 2.25%, of which 1.5% is permanent and 0.75% is temporary and must be renewed by voters every four years. This additional ¾% tax has been renewed by voters consistently since the initial authorization in 1982. This tax is a flat tax of 2.25% applied on all wages earned within the City and on all wages earned by residents of Toledo outside the City. The allocation of the 2.25% income tax is below.

Municipal Income Tax Allocation

Tax Rate		General	Police/Fire	Capital Improvements
1.00%	Permanent	1.00%		
0.50%	Permanent	0.25%		0.25%
0.75%	Temporary	0.25%	0.25%	0.25%
Totals:				
2.25%		1.50%	0.25%	0.50%

There are three categories of income tax receipts: withholding, business and individual. Withholding taxes are all tax receipts withheld by employers and reported on W-2s. Business taxes are taxes paid on business net profits. Finally, individual taxes are taxes required to be remitted by individuals who do not have tax withheld on a W-2 but who work or live in the City of Toledo.

The 2016 budget estimates total income tax collections of \$167,500,000, which is consistent with projections for 2015. This represents a 1.22% decrease compared to 2015 budgeted tax collections of \$169,565,903.

Property Taxes

The General Fund also receives revenue from property taxes. The 2016 budget estimates \$11,268,000 in property tax receipts. This is a 1.81% increase from 2015 budget estimates.

Licenses and Permits

License and permit fees account for 1.06% of total General Fund resources. The 2016 budget estimates license and permit revenue to increase in 2016 to \$2,678,533 from 2015 levels of \$2,580,532.

City of Toledo

2016 Proposed Operating Budget

General Fund Revenue and Other Sources (continued)

Intergovernmental Services

Intergovernmental services revenue includes local government funding received from the state, estate taxes, casino revenues, beer, liquor and cigarette taxes, and JEDZ and CEDA income. Since 2010, local government funding, the largest portion of intergovernmental services revenue, has decreased significantly and estate tax revenue has been phased out. Overall, the City has experienced a decrease of over \$13,000,000 in General Fund revenue because of declines in state revenue sharing. This has resulted in the need for the City to rely on voter authorized transfers from the CIP fund to support operating expenditures.

The 2016 estimate for state revenue sharing is \$7,929,654.

State Revenue Sharing

(Includes local government funds, estate taxes and property tax reimbursements)

City of Toledo

2016 Proposed Operating Budget

General Fund Revenue and Other Sources (continued)

Intergovernmental Services (continued)

Casino revenues represent the second largest portion of intergovernmental services revenue. The 2016 budget proposes \$5,600,000 in casino revenues. Revenues in this category are consistent with the previous two years.

Intergovernmental revenue also includes JEDZ and CEDA income and beer, liquor and cigarette taxes. Compared to 2015, the proposed budget projects an increase in JEDZ and CEDA income and a small decrease in beer, liquor and cigarette tax revenue. Revenue received from JEDZ and CEDA income is estimated to increase from \$1,070,00 to \$1,320,000. Beer, liquor and cigarette tax revenue is estimated to decrease from \$460,000 to \$425,000 in 2016.

Charges for Services

Funds received from charges for services account for the second largest category of General Fund revenues. The 2016 budget proposes \$33,513,654 of revenue in this category. This includes revenue from cable fees, ambulance and emergency medical service billing, overhead cost allocations, cemetery and landfill disposal fees, refuse collection fees and other miscellaneous fees. Compared to 2015, charges for services revenue has increased by approximately \$6,200,000.

In 2016, an increase in the refuse collection fee is proposed. At current rates, refuse collection revenue does not fully support all aspects of collection and disposal at the Hoffman Road Landfill. An increase in monthly rates from \$8.95 to \$15.00 for regular customers and from \$5.00 to \$8.50 for homestead customers will generate sufficient revenues to cover the costs for collection through Lucas County Solid Waste Management, as well as disposal. Total revenue for refuse collection and disposal is budgeted at \$13,294,000 for 2016.

Increases in ambulance and emergency medical service billing revenue are proposed in 2016. The 2016 budget proposes an increase in emergency medical service revenue in order to fully recover the costs for the operation of emergency life squad units in the City. These revenues account for over \$8,200,000 of total General Fund revenues.

Fines and Forfeitures

Fines and forfeitures revenue includes red light camera revenue, court costs and fines. Total 2016 estimated revenue is \$5,839,754 and has decreased by approximately \$700,000 from 2015 budget levels. This decrease is driven by a reduction in the budgeted red light camera fine revenue. Revenue received from red light camera fines is estimated to be \$2,300,000 for 2016. This estimate is based on collections of past due accounts receivable, as well as continued collections on current red light and speed violations that will be enforced by the Toledo Police Department.

City of Toledo

2016 Proposed Operating Budget

General Fund Revenue and Other Sources (continued)

Investment Earnings and Other Revenue

Investment earnings reflects interest revenue recorded in the General Fund. The 2016 budget estimates \$261,000 in interest earnings. This amount is consistent with 2015 budget.

Other revenue is budgeted at \$3,822,507 in 2016. This category includes miscellaneous revenues received by Police, Code Enforcement, Building Inspection and Treasury, as well as revenues received from the Downtown Parking Authority. Additionally, the 2016 other revenue budget includes an estimated amount of \$2,500,000 for the sale of City assets, as the City is currently marketing several properties.

The 2016 other revenue budget estimate also includes \$800,000 to be collected through grants or other donations to support the City's recreation programs. In 2015, the City received donations for the swimming pools. The City plans to actively seek funds for the pools again in 2016, as well as other recreation programs including athletics and the Ottawa Park Ice Rink.

Operating Transfers

2016 operating transfers revenue totals \$12,032,000. This includes transfers from the Capital Improvement Fund, the Tow Lot Operating Fund, and the Golf Improvements Fund. The 2016 budget estimates transferring \$10,440,000 from the CIP Fund. The 2016 estimated CIP transfer is a decrease from the 2015 budgeted transfer of \$11,000,000. Other operating transfers for 2016 include \$1,346,000 from the Tow Lot Fund and \$246,000 from the Golf Improvements Fund.

City of Toledo

2016 Proposed Operating Budget

General Fund estimated revenues and other sources total \$252,122,102 in 2016. Compared to the 2015 budget, revenues have increased by 2.40%. Income tax revenues account for 66.44% of total General Fund resources and support the Police and Fire & Rescue Departments and other general government functions, like finance, human resources and law. They are also used to fund capital improvements.

2016 Proposed Operating Budget

General Fund Expenditures and Other Uses

Base Salaries & Wages

The 2016 budget for base salaries and wages totals \$106,698,640. This category includes base wages, compensated absences and other contractual payments. Compared to 2015 budget levels, estimated costs for 2016 have increased by 2.77% or by \$2,878,799. Although budgeted full time equivalents (FTEs) have decreased by 19.31 from 2015 budget, increases in contractual wage rates have driven increases in base salary expenditures.

The Police and Fire & Rescue Departments account for the largest portion of base salary and wage expenditures at \$87,8005,638 of the total budget. This 2016 estimate represents an approximate \$2,836,736 increase over 2015. Wages for all other general fund departments total \$18,893,002 for 2016 and have only increased by \$42,063 from 2015 levels.

The compensated absences budget of \$300,000 is flat compared to the 2015 budget.

Overtime

Overtime expenditures are expected to decrease in 2016. The budget allocates \$4,960,559 for overtime expenditures compared to \$5,251,232 in 2015. This decrease is driven by an approximately \$300,000 decrease in the Fire & Rescue Department overtime budget. In 2016 the department's overtime budget totals \$1,832,133. Police Department overtime for 2016 totals \$2,750,000 and has increased by only \$7,500 compared to 2015.

Overtime for all other departments totals \$378,426 in 2016.

Severance

Severance expenditures in 2016 are estimated at \$3,576,541. Estimated severance expenditures are projected by each department based on the number of retirements anticipated in 2016 and the associated accrued sick time eligible to be paid out upon retirement. Total expenditures are estimated to decrease in 2016 by approximately \$430,000.

Pension

The pension budget is \$21,925,195 for 2016. Pension expenditures are driven by changes in base wage and overtime expenditure estimates. With increased wages projected for 2016, estimated pension expenditures have also increased. In total, pension costs have increased by 3.73% over 2015 budget levels.

Employment Taxes & Medical

Employment tax and medical expenditures include workers' compensation, Medicare costs, unemployment compensation and medical insurance expenditure estimates. The 2016 budget proposes \$29,907,565 for these expenditures. Both medical insurance and workers' compensation costs are anticipated to increase in 2016. An estimated 4% increase is proposed for medical insurance and total costs in 2016 are expected to be \$22,360,132. An increase in workers' compensation for 2016 is anticipated because the City is entering into a Group Retrospective Rating Program offered by the Ohio Bureau of Workers' Compensation. Although the City's costs in the first year of the program will increase, long term savings are anticipated beginning in 2017.

2016 Proposed Operating Budget

General Fund Expenditures and Other Uses (Continued)

Other Personnel Expenses

Total budget for other personnel expenses is \$1,183,153 in 2016. These expenditures include contractual stipends for Police and Fire & Rescue, tool and auto allowances and other contractual obligations. Minimal increases in these expenditures are anticipated in 2016. Compared to 2015 budgeted levels, expenditures have increased by approximately \$117,000.

Salary Savings and Other Reimbursements

The total budget for salary savings and other personnel reimbursements is \$1,927,690 for 2016. This includes salary, wage and fringe benefit savings of \$1,500,000 to be achieved by delaying the filling of vacant civilian positions. Additionally, the Toledo Municipal Court Judges, through delayed hiring, are projected to save \$304,865 for the General Fund. Finally, reimbursements for the Division of Building Inspection totaling \$122,825 are part of the City's agreement with the Lucas County Land Bank for vacant property demolitions.

Supplies, Services and Other Non-Personnel Expenditures

The 2016 budget for supplies, services and other non-personnel expenditures is \$49,048,664. This total budget has increased by less than 1% compared to 2015. Similar to last year, General Fund departments are expected to identify and save approximately \$1,760,000 within their supply and service budgets.

General Fund debt expenditures are budgeted at \$725,927 in 2016. This budget covers debt payments related to the Dura and Stickney-Tyler landfills.

Operating Transfers

Budgeted operating transfers to other funds total \$36,749,475 in 2016. The largest transfer out of the General Fund results from the portion of the income tax dedicated to the CIP Fund. This transfer is budgeted at \$36,666,667 for 2016.

City of Toledo

2016 Proposed Operating Budget

The total General Fund budget is \$252,122,102. Labor expenditures account for 65.97% of the overall total.

City of Toledo

2016 Proposed Operating Budget

Toledo City Council

Toledo City Council is the legislative branch of City Government and operates in accordance with the provisions of the Charter of the City of Toledo, first adopted by the voters in 1914 and amended by the voters from time to time. City Council has seven standing committees that meet at the call of the Chair of the Committee. The standing committees are: Economic Development Committee, Finance, Human Resources & Information Technology Committee, Neighborhoods, Community Development & Health Committee, Public Safety, Law & Criminal Justice Committee, Utilities & Public Service Committee, Youth, Parks, Recreation & Community Relations & Education Committee, and Zoning & Planning Committee.

Legislative authority in the City is vested in a twelve-member Council. Six members of the Council are elected at-large and six from districts; all for four-year terms. The Council is authorized to enact ordinances and resolutions relating to City services, tax levies, appropriating and borrowing money, licensing and regulating businesses and trades and other municipal activities. The Council also has authority to fix the compensation of City officers and employees. The Council elects one of its members to serve as the President of Council, its presiding officer.

Funding Sources:

Toledo City Council is funded 100% from the General Fund.

2016 Highlights

The 2016 budget supports all members of the City Council office. In addition to the 12 Council members, there are four Council Aides who each assist three members.

Office of the Mayor

Toledo operates under a strong Mayor form of government. Accordingly, the Mayor, who is elected to that office for a four-year term, serves as chief executive of the City. The Mayor has authority to hire certain assistants and, subject to Council approval, to appoint the directors of all City departments, the commissioners of all City divisions, the members of all City boards and commissions and, with the additional approval of the applicable board or commission, the chief administrative officers of agencies under their jurisdiction. The Mayor is responsible for preparing a detailed annual budget estimate, keeping the Council advised of the financial condition and needs of the City, and, generally, exercising all other executive and administrative powers and performing such duties as are conferred by the Charter or by State law on mayors or municipal chief executive officers.

The Mayor has authority to introduce ordinances, resolutions and other matters before the Council, to take part in the discussion of all matters coming before the Council, to vote on legislation before the Council if necessary to break a tie vote and to veto any legislation passed by the Council. Vetoes may be overridden by a three-fourths vote of all members of the Council.

The Mayor and her staff provide overall policy direction and oversee the provision of City services using the revenues provided and entrusted to the municipal government by the City's residents.

Funding Sources:

The Mayor's Office is primarily funded by the General Fund. The Chief of Staff and other administrative support staff are funded partially by the Water and Sewer Operating Funds and the CIP and Special Assessment Funds.

2016 Highlights:

The 2016 budget supports 9.00 FTEs including the Mayor and administrative support staff. Labor expenditures account for 83.69% of total expenditures.

Board of Community Relations

The Board of Community Relations (BCR) is an independent organization chartered by the City of Toledo. It exists to promote, empower, and support citizens and neighborhoods to create social justice, equal opportunities, and a harmonious environment. BCR intervenes in conflicts and disputes by providing investigation, facilitation, and mediation services. Over the years, the Board of Community Relations through its investigation and mediation process has reconciled a significant number of cases involving discriminatory practices in employment, education, housing, and public accommodations. BCR works to create a harmonious relationship among neighborhood groups, citizens, and public institutions.

Funding Sources:

BCR is funded 100% from the General Fund. All programs and department personnel are supported by this budget.

2016 Highlights:

The 2016 budget funds 1.00 FTE and allocates \$15,405 for services and supplies. Funding for non-personnel expenses supports programming including the *Welcome Toledo* initiative - an immigration/refugee resettlement/educational initiative and the *Compassionate Toledo Photo Contest* - a contest to promote the City of Toledo as a Compassionate City.

Affirmative Action/Contract Compliance

The Office of Affirmative Action/Contract Compliance (AA/CC) was created in 1988 to administer programs, activities and services to ensure compliance with the Civil Rights Act and the Americans with Disabilities Act and to enforce the City's prevailing wage regulations. The Department of Affirmative Action/Contract Compliance exists to enforce all administrative policies under its jurisdiction and to assist the City of Toledo in achieving a dynamic, diverse workforce, enforce fair labor standards, and create a climate of inclusiveness that encourages small, minority, and female owned businesses to bid and receive City contracts.

Funding Sources:

With the exception of one position, all personnel, service and supply costs for the Office of Affirmative Action/Contract Compliance are supported by the General Fund. The AA/CC manager who reviews all contracts and assures prevailing wage requirements are met is funded by the Capital Improvement Fund and the Utility Administrative Services Fund, as well as the General Fund.

2016 Highlights:

The 2016 budget supports 5.00 FTEs. Personnel costs account for 96.09% of the department's budget.

The 2016 budget for services and supplies totals \$17,570 and will continue supporting education and outreach programs for minority business enterprise vendors.

Municipal Court Judges

The responsibility of the Toledo Municipal Court is to hear and dispose of cases within the Court's jurisdictional limits in a judicious and timely manner and provide opportunities for rehabilitation. The Court's operation is defined by the Federal and State Constitutions, the Ohio Revised Code, Toledo Municipal Code, State Civil and Criminal Procedural Rules, and the Rules of Superintendence.

The Ohio constitution establishes the legislative, executive and judicial branches of government. The judiciary is a separate and co-equal branch of government, with separate powers and responsibilities. The Toledo Municipal Court is comprised of seven Judges. Six Judges preside over a mixed criminal and civil docket. One Judge presides over environmental criminal and civil cases, which include housing, environmental and related matters.

Funding Sources:

Municipal Court Judges operations are funded primarily through the General Fund. Approximately 96.30% of labor, service and supply costs are supported by the General Fund, while remaining expenses are funded with trust and grant dollars.

2016 Highlights:

The 2016 budget allocates \$2,714,884 for services and supplies. This includes funding for court security services and the court addiction diversion program.

Personnel expenditures account for 71.00% of total 2016 budget and support 93.71 FTEs. Additionally, the 2016 budget includes salary savings of \$304,865 that will be achieved through delayed hiring.

Department of Finance

The Department of Finance is responsible for safeguarding the assets of the City of Toledo by providing effective stewardship of public funds, timely financial reporting, and commitment to excellence in public service. It is the responsibility of the department to continuously improve the coffers of the City by assisting and advising the operating divisions in their financial operations. The Department of Finance is comprised of the Divisions of Finance Administration, Financial Analysis, Treasury and Taxation, Accounts, Purchasing and Supplies, Debt Management and the ERP team.

The Division of Finance Administration is comprised of the Director of Finance and his or her support staff. Finance Administration directs the other divisions to ensure department responsibilities and priorities are met and City-wide financial goals are achieved.

The Division of Financial Analysis (budget office) is charged with the creation, maintenance and monitoring of the City of Toledo's operating budget. In addition, the division assists, advises and directs the operating divisions with budget maintenance. The division also assists the Debt Management Office with creation and monitoring of the City's capital improvement budget.

The Division of Treasury and Taxation is responsible for the collection, safekeeping, investment and disbursement of all public monies of the City. This division also encompasses the functions of business licensing and administration of the City's special assessment program. The income tax section administers the City tax code in a manner that is accountable and responsive to the public for the purpose of generating revenue to finance city services. The section also collects delinquent City taxes in a way that balances both fiscal responsibility and fair collection practices.

The Division of Accounts is charged with providing timely and accurate financial information to both internal and external users in accordance with Generally Accepted Accounting Principles (GAAP). Accounts also provides internal controls to insure the safeguarding of City assets. The division works closely with the budget office to prepare, distribute and present monthly financial information to City Council.

The Division of Purchasing is committed to providing efficient procurement services which meet the needs of City departments while ensuring compliance with the City Charter and Toledo Municipal Code. Purchasing strives to assure fair and equal access to all entities seeking to do business with the City of Toledo. The Division of Purchasing also oversees the print shop, an internal service unit that provides printing and copying services to City departments.

The Debt Management Office must balance the financial needs of the City with the most economically and financially feasible methods of borrowing. The Debt Management Officer ensures that the City operates within strict debt guidelines to maintain and improve bond ratings. The Debt Management Office is also responsible for preparing and monitoring the City's 5-Year Capital Improvement Plan.

The ERP team operates, maintains and enhances the SAP software system to provide accurate, real-time financial, procurement, payroll and HR information to all City departments. Additionally, the team is responsible for training system users city-wide.

Department of Law

The Department of Law is responsible for delivering high quality legal service consistent with the highest standard of professional responsibility. Pursuant to the City Charter, the Law Department represents the City in all legal matters. The Law Department is comprised of five sections:

Litigation Section: Defends and represents the City, its officials and employees in cases in all courts including Common Pleas, Court of Appeals, Federal District Court, Ohio State Supreme Court and U.S. Supreme Court.

General Section: Reviews and writes contracts, assists with economic development and utility issues and advises on internal legal matters.

Labor/Employment Section: Handles labor/employment matters.

Prosecutor's Office: Prosecutes misdemeanor criminal offenses occurring within the Toledo-Washington Township and Ottawa Hills jurisdictions.

Collections/STAX Unit: Accesses and collects delinquent municipal income taxes utilizing Internal Revenue Service data and performs other collection functions.

Funding Sources:

The Law Department is funded by the General Fund, the Risk Management internal service fund and the Utility Administrative Services Fund. Additionally, one position is partially grant funded through the Community Development Block Grant.

2016 Highlights

The 2016 budget funds 38.00 total FTEs across all sections.

In addition to personnel, the Law Department's General Fund budget allocates \$1,819,638 for services and supplies including funds for intern services, labor arbitration expenses, various publications and continuing legal education for attorneys.

A budget of \$1,894,367 is allocated for risk management expenses in anticipation of potential settlements of pending cases.

Department of Neighborhoods

The Department of Neighborhoods is responsible for fostering housing and neighborhood development to enhance the quality of life for Toledoans. The Department of Neighborhoods includes Neighborhood Administration and the Division of Housing. The department also includes the Division of Code Enforcement and the Beautification Action Team.

Funding Sources:

The Neighborhoods Department is supported primarily by federal funds through the U.S. Department of Housing and Urban Development Community Block Grant Program (CDBG). These annual grants are awarded to qualified cities, urban counties and states to develop viable urban communities.

2016 Highlights:

The Department of Neighborhoods is funded largely by the Community Development Block Grant. These dollars assist the department in meeting the National Objectives set by U. S. Department of Housing and Urban Development. The department also receives funding from the General Fund, as well as from other operating grants and the Toledo Home Program federal grant.

Funded FTEs for the department total 61.50 in the 2016 budget. Personnel costs represent 38.87% of the total budget.

2016 Proposed Operating Budget

Department of Economic and Business Development

The Department of Economic and Business Development implements programs and provides services integral to achieving the goals of the City's consolidated plan. By promoting Toledo's strategic location, the department assists in the attraction, growth and retention of business and industry. The Department of Development encompasses Economic Development and Real Estate. Combined, the two sections work to eliminate barriers and assist businesses by providing financial incentives and technical support. The department also includes the Division of Building Inspection.

Funding Sources:

The Department of Development is funded primarily through a combination of General Fund and Community Development Block Grant (CDBG) dollars.

2016 Highlights:

The 2016 budget funds 27.00 FTEs with a total personnel cost of \$2,264,038.

Funding for non-personnel expenditures totals \$1,559,018 and supports costs for property tax payments, business incentive payments, and operating expenditures for the Division of Building Inspection, including maintenance costs for the Accela inspection system.

2016 Proposed Operating Budget

Department of Human Resources

The Human Resources Department supports its sister departments in all aspects of the employer-employee relationship. Responsible for employee selection and evaluation, benefits administration, union/employee relations, workers' compensation, training, and temporary workers, the Human Resources Department facilitates the delivery of City services by selecting, developing, and retaining the City's most valuable resource: a productive and competent workforce.

Funding Sources:

The Department of Human Resources operating expenditures and personnel are funded primarily by the General Fund. Funding allocated in the Workers' Compensation Fund covers the City's obligation to the State of Ohio. The department also funds a portion of its labor, services and supplies costs in this fund.

2016 Highlights:

The 2016 budget funds 17.00 FTEs for the Department of Human Resources, including 3 members of the Civil Service Commission. Total labor expenditures for the department are \$1,284,855 of which \$842,857 are allocated to the General Fund.

Non-personnel budget in the General Fund totals \$546,110 and supports on-boarding costs for new employees, testing costs for promotions in the safety forces, as well as training materials for all departments.

Funding Sources:

As an internal service department, ICT is funded through user charges assessed to other departments and divisions for telecommunication and computer support services. Additionally, three support team members are funded partially by the Utility Administrative Services Fund.

2016 Highlights:

The ICT 2016 budget supports 17.25 FTEs with a total labor cost of \$1,596,993. ICT staff provide 24/7 365 day support to the City's departments and divisions that support the citizens of Toledo.

Services and supplies expenditures total \$3,504,445 of the 2016 budget.

2016 Proposed Operating Budget

Department of Public Service

The Department of Public Service strives to provide quality, efficient and timely services to the citizens of the City of Toledo in the most cost-effective manner through the utilization of innovative practices, state-of-the-art technology and a courteous, well-trained workforce. The department is responsible for snow and ice control, leaf collection, bridge, street and traffic control maintenance, management of the City's landfill, and operation of the City's parks and recreational facilities. Additionally, the department includes the Division of Facility and Fleet Operations which provides vehicle and facility management to other City departments.

The Department of Public Service is comprised of the following five divisions: Transportation, Streets, Bridges and Harbor, Solid Waste, Facility and Fleet Operations and the Division of Parks, Recreation and Forestry.

The Division of Transportation provides and maintains safe and efficient traffic flow on public roadways in the City using accepted design practices and appropriate traffic control devices. The division is responsible for traffic control planning and design and operation and maintenance of traffic control devices and systems.

The Division of Streets, Bridges and Harbor (SB&H) is responsible for keeping the streets of the City safe for vehicular traffic throughout the year. This includes leading all snow and ice removal, leaf collection and street sweeping efforts. The division also performs minor street repair and restoration, as well as conducts all bridge work for the City including inspection, maintenance, rehabilitation and replacement.

The Division of Solid Waste operates the landfill within regulatory compliance of the Ohio Environmental Protection Agency.

The Division of Facility and Fleet Operations is an internal service division that keeps the City's fleet and buildings continually operational. Fleet operations is responsible for maintenance, repair and fueling of the City's fleet, as well as vehicle and equipment acquisition. Facility operations is responsible for building maintenance and repair and recommending facility design and construction. The unit ensures a healthy, functional, aesthetic and sustainable building environment for City employees and the public.

The Division of Parks, Recreation and Forestry is dedicated to the effective management of Toledo's greenspaces thereby improving the quality of life for all citizens and visitors. The division includes: Natural Resources Administration, Parks & Forestry and Recreation. Parks & Forestry is responsible for the maintenance and management of street trees, parks, boulevards & triangles, weed control and cemeteries. Recreation operates the City's recreational facilities, maintains athletic fields, and administers programs and events including Pumpkinarama, the Fishing Rodeo, and concerts at Ottawa Park.

2016 Proposed Operating Budget

Department of Public Service

Funding Sources:

The Department of Public Service receives funding from a variety of sources:

Transportation is funded with both street construction, maintenance and repair (SCM&R) dollars and capital improvement dollars.

The Division of Streets, Bridges and Harbor receives assessed, SCM&R and capital improvement funding.

The Division of Solid Waste is supported primarily by the General Fund.

The Division of Facility and Fleet Operations is funded through charges assessed to user divisions. Labor, supplies and service costs are budgeted in the Fleet Maintenance and Facility Operations internal service funds.

The Division of Parks, Recreation and Forestry uses General Fund and assessed dollars to support operations.

2016 Highlights:

The Division of Transportation budget supports 48.00 FTEs and allocates \$1,803,606 for services, supplies and capital expenditures. Of the division's 48.00 FTEs, 26.00 are dedicated to sign and signal maintenance and control while the remaining provide administrative support and engineering services.

The 2016 budget for SB&H allocates \$13,104,543 for labor expenditures and \$13,725,908 for services, supplies and capital. The budget supports 183.60 FTEs who rotate seasonally between street maintenance and pothole repair, street sweeping, leaf collection and snow and ice control. The division also completes vacant property demolitions.

The Division of Solid Waste has allocated approximately \$975,000 in 2016 to cover Ohio EPA and county tipping fees. These fees account for 20.33% of the division's total budget.

The 2016 budget for fleet operations allocates over \$6,434,381 for fuel and equipment to maintain the City's fleet. In addition to this non-personnel allocation, the budget also supports 63.80 FTEs with a total labor cost of \$4,654,435.

The internal service fund budget for facility operations allocates 46.50% for labor expenditures, and 53.50% for services and supplies.

The 2016 budget for the Division of Parks, Recreation & Forestry includes \$6,947,378 for labor related expenditures and \$9,391,419 for non-labor expenditures.

City of Toledo

2016 Proposed Operating Budget

Department of Public Utilities

As a customer-service organization, the Department of Public Utilities provides services which exceed expectations in regards to safe, economical and superior drinking water, drainage and waste water services, and an environmentally safe community.

The City owns and operates a waterworks system as a self-supporting enterprise that in 2014 produced an average of 72.5 million gallons of water per day, with a peak flow of 102.8 million gallons of water per day, for approximately 130,000 residential, commercial/institutional and industrial customers in the City and certain surrounding areas in Northwest Ohio and Southeast Michigan. The City estimates that approximately 500,000 people are served by the Water System. Water is drawn from Lake Erie, treated at the City's Collins Park Water Treatment Plant, which has a capacity of 120 million gallons of water per day, and then distributed through approximately 1,165 miles of water lines, over 50% of which were installed before 1930. The estimated replacement cost of the Water System is approximately \$1.362 billion. The Water System is operated by the Division of Water Treatment and the Division of Water Distribution of the City's Department of Public Utilities.

The City has maintained and used reserves to pay the costs of routine, ongoing maintenance, repairs, replacements of portions of the Water System as necessary and of constructing certain improvements and extensions. The City has spent an average of approximately \$14.8 million annually for replacements, improvements and extensions for the Water System over the past 10 years. In 2013, the City issued \$197,130,000 of Water System Revenue Improvement and Refunding Bonds to pay a portion of this cost.

The City also owns and operates a sanitary sewage collection and treatment system as a self-supporting enterprise that in 2014 collected and treated approximately 62.1 million gallons of wastewater per day from approximately 98,496 residential, commercial, institutional and industrial customers in the City and approximately 5,285 such customers outside of the City. The City estimates that approximately 320,000 people are served by the Sewer System. Wastewater is collected by 961 miles of local and interceptor sanitary sewers owned by the City. The local sewers serving 80% of the City's sewered area carry only sanitary sewage, while the remaining 20% of the City's sewered area is served by combined sewers that carry sanitary sewage and, in wet weather, storm water. The local sewers flow into interceptor sewers that carry the wastewater to the City's treatment plant for treatment.

The Department of Public Utilities includes the following divisions: Public Utilities Administration, Water Treatment, Water Distribution, Engineering Services, Water Reclamation, Sewer and Drainage Services and Environmental Services. The divisions are primarily supported by the Water and Sewer Funds, with very little General Fund support.

2016 Proposed Operating Budget

Department of Public Utilities

The Division of Public Utilities Administration provides comprehensive billing, collections and customer service in an efficient, cost-effective, and responsive manner to residents, businesses, and governmental jurisdictions within the greater Toledo metropolitan areas. Utilities Administration provides the primary administrative fiscal and operational control functions for the department. It consists of the sections of Accounting, Billing, Customer Service, Legal, DPU/SAP Support, Records, Call City Hall, Administrative Support, Toledo Public Power (TPP) and the Toledo Waterways Initiative (TWI).

The Division of Water Treatment is responsible for the effective production, filtration, and quality control of water for the City of Toledo. The division's responsibility starts at the source of raw water, Lake Erie, and extends throughout the treatment process. This division operates and maintains the largest softening plant on Lake Erie which filters an average of 120 million gallons of water per day. In 2014 the division began replacing and upgrading the water plant and component facilities. These major capital projects are bond funded.

The Water Distribution division uses the most responsive and efficient methods possible to supply uninterrupted water service to the citizens of Toledo and metropolitan areas. The division constructs, installs, repairs and maintains fire hydrants, water taps, water meters and the underground assets associated with the conveyance of water.

Engineering Services provides planning, engineering and construction administration for major infrastructure improvements and assists in supporting other operating divisions with their engineering needs. The division is responsible for coordinating the replacement and upgrade of the city's utility distribution and transportation systems. This includes water lines, sanitary sewers and storm water facilities, public sidewalks, pedestrian ramps, streets and alleys. In addition, Engineering Services is responsible for street lighting, plan reviews, inspection of construction within the public rights of way and open space planning.

The Division of Water Reclamation works to protect and enhance public health, property and the environment through the efficient and progressive treatment of wastewater in compliance with the state of Ohio and national standards. The major function of Water Reclamation is the operation and maintenance of the Bay View Waste Water Treatment Plant. The facility provides treatment services to an area of approximately 100 square miles, of which 84 miles are located within the City of Toledo. The population of the service area is approximately 320,000 people.

The Division of Sewer and Drainage Services operates and maintains the sanitary sewer, storm sewer and ditch drainage systems, providing innovative, cost effective, uninterrupted service to the citizens of the City of Toledo. There are five sections in the division: Cleaning, Construction, Ditch Maintenance, Engineering and Inspection, and Administration. Together these sections are responsible for maintaining the 955 miles of sanitary sewer and 986 miles of storm sewer drainage system. This involves routine cleaning and repair, maintaining the proper flow of the City's 64 miles of open ditch drainage systems and providing direct support to field personnel engaged in the cleaning and repair of storm and sanitary sewers and ditches.

Department of Public Utilities

The Environmental Services division's goal is to ensure environmentally safe air and water for the Toledo metropolitan area. The division takes pride in serving as an environmental consultant for the City's other departments and divisions. The division performs, coordinates and oversees environmental site assessments and environmental cleanup projects for city owned parcels and city redevelopment projects. The division promotes a better understanding and awareness of the challenges that exist in air and water pollution in Toledo through numerous community outreach programs such as Clean Your Streams Day and the Household Hazardous Materials Program.

Funding Sources:

The Department of Public Utilities is primarily supported by the Water, Sewer and Storm Water Operating funds, with minimal General Fund support.

The Division of Public Utilities Administration is supported by the Utility Administrative Services Fund. This fund receives revenues from the water, sewer and storm water utilities. Additionally, support for the Call City Hall office, which in 2016 is budgeted under Utilities Administration, comes from assessed and general fund dollars.

The Division of Water Treatment is funded 100% with water operating dollars.

The Division of Water Distribution is funded primarily by the Water Operating Fund and the Utility Administrative Services Fund.

The Division of Engineering Services receives support from several funds. This includes SCM&R, capital improvement, sewer operating and water operating funding.

The Division of Water Reclamation is funded largely with sewer operating dollars. A small portion of funding comes from the Storm Water Fund.

The Division of Sewer & Drainage Services is supported by the Sewer Operating and Storm Water Operating Funds.

The Division of Environmental Services receives support from general and utility operating fund dollars, as well as state grant awards. The division annually receives state water and air grants that support personnel and other services. The General Fund provides a local match for these dollars.

2016 Proposed Operating Budget

Department of Public Utilities

2016 Highlights:

Utilities Administration

The 2016 budget supports 99.00 FTEs with a total labor cost of \$6,941,031. Non-labor budget totals \$17,302,030 and supports administrative functions including the SAP billing system and postage and mailing expenditures. The division has implemented a cost-effective on-line billing function to allow customers to view their bills and make payments electronically in “real time.”

Water Treatment

The division's 2016 budget supports 105.00 FTEs with a total labor cost of \$7,832,135. Of the division's supply and services budget of \$20,378,670 a total of \$12,000,000 is allocated for chemicals and spent lime disposal.

Water Distribution

In 2016 the Division of Water Distribution is supported 74.82% by the Water Operating Fund and 25.17% by the Utility Administrative Services Fund. The division's total budget of \$12,793,996 allocates \$9,350,076 for labor related expenditures.

Engineering Services

The budget for Engineering Service funds 64.05 FTEs with a total labor cost of \$4,518,108. Non-personnel expenditures for supplies and services total \$1,993,764.

Water Reclamation

The 2016 budget for Water Reclamation supports 123.95 FTEs with a total labor cost of \$9,489,763. Non-personnel expenditures account for 52.06% of total budget and include bulk treatment chemicals, spent lime disposal and electricity costs for the plant. Combined, these three items total over \$5,500,000.

The 2016 budget supports the completion of the Toledo Waterways Initiative (TWI) Oakdale Storage Basin construction, and the beginning phases of the TWI Ottawa River Storage Basin.

Sewer & Drainage Services

The Division of Sewer and Drainage Services 2016 budget supports 118.00 FTEs and has decreased by 11.00 FTEs from 2015 budget levels. Of this total, 72.50 FTEs are funded by the Sewer Operating Fund and 45.50 are funded by the Storm Water Fund. Labor expenditures represent 56.36% of the total budget.

Environmental Services

The 2015 Environmental Services budget funds 46.85 FTEs across several funds. Labor expenditures account for the largest portion of the division's total budget at 78.44% of the total.

Toledo Police

Toledo Police Department enhances the quality of life in Toledo by working in partnership with the community to preserve life, enforce the law, provide quality services, reduce the fear of crime, and promote joint problem-solving for safe, secure neighborhoods. The Police Department is committed to working with the community to identify and solve problems as an aid in the reduction of crime. The department's policing practices and tactics complement the needs of Toledo neighborhoods. Toledo Police Officers work to:

- Prevent or reduce crime and disorder and proactively enforce the law through patrol and answering calls for service
- Apprehend violators of the law through investigation and the collection of evidence
- Safeguard property and return lost or stolen property to the rightful owner
- Preserve individual rights through mediation, advice, and preventative presence and enforcement
- Provide for the safe flow of traffic throughout the city through enforcement of traffic laws
- Maintain a high degree of police-community interaction
- Ensure a high level of departmental and individual performance through training and supervisory control
- Provide employee safety and well-being through training, equipment and supply acquisition and administrative and technical support; 911 dispatching; and repository of criminal records and property

Funding Sources:

The Toledo Police Department is funded 95.32% by the General Fund. The department also receives grant funding for personnel expenditures.

2016 Highlights:

The 2016 Police Department budget supports 676.12 FTEs, including a budgeted class of 30 new officers scheduled to start in mid-November. Labor costs constitute the largest portion of the department's budget at 89.65% of the total.

The 2016 supplies and services budget of \$7,272,599 will support current operations, as well as programs and initiatives such as continued support of Data Driven Policing.

Toledo Fire and Rescue

Mission Statement:

The mission of the Toledo Fire and Rescue Department is the protection of the community from fire and other emergencies through education, fire prevention code enforcement, emergency disaster planning, and the response of highly trained personnel.

Since 1837, Toledo Firefighters have been protecting the citizens of Toledo first as volunteers, then in 1868 as paid Firefighters. The first fire station was located on Cherry St. in 1837. Much has changed since those early years. Now, the Toledo Fire and Rescue Department has 18 fire stations located strategically throughout the city staffed by over 475 Firefighters. In addition to responding to fires, all Toledo Firefighters are trained Emergency Medical Technicians with 212 also being certified paramedics. Each year the Toledo Fire Department responds to over 55,000 emergency incidents. These runs include fire, medical, hazardous materials incidents, water rescue, confined space rescue, and homeland security.

The Toledo Fire and Rescue Department's 2016 budget is supported by the General Fund and the Capital Improvement Fund. The budget reflects the hiring of a recruit class of 40 starting September 2016. Other initiatives supported by the 2016 operating budget include building repairs and improvements, fire safety education, and the enhancement of the department fire pre-plan program.

The Toledo Fire and Rescue Department is organized into the following bureaus and sections:

Support Services – budget preparation and monitoring, purchasing, payroll, scheduling, timekeeping, human resource activities, contracts and ordinances. This bureau works as the liaison with the city's departments of Information & Communication Technology, Human Resources, Purchasing, Affirmative Action, Treasury, Budgeting and Accounts.

Communications Bureau – dispatches all emergency and non-emergency incidents for the department; coordinate communications between field operations personnel, staff and outside agencies such as City Line (CLICK), other city emergency personnel, the airport and the National Weather Service; maintain a record of all radio communications for Police and Fire departments. The Radio Service Section repairs and maintains the 800 Mhz radio system and all radio communication equipment used by police, fire and public works.

Emergency Medical Services (EMS) –monitor and assist in the EMT recertification for all members, coordinate with Lucas County personnel to staff City of Toledo paramedic rigs, maintain accreditation as an EMS training program, schedule and monitor attendance at mandatory paramedic continuing education, provide Q/A, Q/I for ALS and BLS response, order, distribute and maintain EMS supplies, review and recommend revisions to EMS protocols, acquire and maintain EMS records, maintain certification as an American Heart Training Center, review and revise BLS protocols, work with community agencies to secure appropriate care for 9-1-1 abusers, locate and acquire State and Federal EMS grants. This bureau acts as a liaison with the following community and governmental organizations and agencies: Lucas County EMS, Ohio Division of Public Safety, Toledo Parks and Recreation, Toledo Environmental Services, Toledo Human Resources, Toledo Public Schools, Boys and Girls Club, Juvenile Diabetes, Race for the Cure, City Athletic League, and Area Hospitals.

Toledo Fire and Rescue

Field Operations - responds to over 55,000 incidents annually that include all fires, medical emergencies, confined space and high angle rescues, hazardous material emergencies, water (dive) rescues, flooding emergencies and any homeland security concerns. Field Operations monitors the fire ground for safety concerns; maintain and investigate internal affair files; investigate and review firefighter injuries, oversee our limited duty policy that manages on the job and off the job long-term injuries and illnesses, publish annual report and bi-monthly newsletter. The bureau interacts with the city departments of Law, Human Resources and Police.

Fire Prevention Bureau (FPB) – inspection of buildings, structures, and premises for fire hazards and the enforcement of the Fire Prevention Codes; distribution of smoke detectors; repository for all fire reports; fire investigation; public education of fire safety especially with the young and elderly; review plans for new buildings and alterations to existing buildings for code compliance; part of the permit issuing process. Inspects buildings that require annual permits, educational and institutional (day care, nursing homes, hospitals) occupancies. This bureau interacts with the following city departments and governmental agencies: Building Inspection, Plan Commission, Water Department, Traffic Engineering, Health Department, Lucas County Building Regulations, State of Ohio Industrial Commission and Fire Marshal.

Fleet Maintenance Bureau - responsible for the repair and maintenance of all department vehicles, apparatus, tools, and equipment; tests for safety, performance and reliability of all department equipment; writes specifications and evaluates all new apparatus and equipment; distributes tools and equipment to all fire stations; maintains, distributes and inventories all safety clothing worn by the firefighters. Works hand-in-hand with the city's Fleet Department on repair and maintenance fire vehicles.

Building Maintenance Bureau – enables the Fire Department to perform “in-house” maintenance and repair of the fire stations and facilities. Building maintenance is conducted in a systematic and planned manner by the department's Operations Bureau with the work of two civilian building trades employees. The department's Building Maintenance personnel conduct minor repairs and preventative maintenance on equipment. Larger repairs are being completed by utilizing outside vendors that are registered with the City of Toledo. Large projects such as carpet and station remodeling are being addressed through Capital Improvement Funding.

Safety Bureau- responsible for keeping Toledo firefighters safe in the dynamic and ever evolving fire service through development and management of safety training for department personnel. The Safety Bureau brings over 100 years of combined firefighting experience to help reduce injuries and protect the firefighters through training sessions that focus on high risk activity.

Special Operations Bureau – responsible for the department's preparedness and ability to recognize and respond appropriately to traditional and non-traditional threats within our community; oversee specialized training in confined space rescue, high angle rope rescue, water rescue, dive rescue, and vehicle accident extrication; regional coordinator of the Northwest Ohio Urban Search and Rescue (USAR); involved in the following grants: Urban Area Security Initiative, Metropolitan Medical Response System (MMRS), Regional Medical Response System(RMRS), and State Homeland Security; coordinates RMRS & MMRS steering committees; leadership positions with Ohio Medical Technical Advisory Committee, Ohio Haz Mat/Decon Technical Advisory Committee, Ohio USAR Technical Advisory Committee. This bureau interacts with the Police Department, Ohio Emergency Management Agency (OEMA), Lucas County Emergency Management Agency (LCEMA) as well as nearly all of the top management of all city departments and city administration. Coordinate mutual aid agreements with 22 surrounding communities.

Training Bureau – provides fire training for new recruits, coordinates and provides regular continuing fire training for all firefighters, provide re-entry training for firefighters who have been off work or away from regular fire duties for more than 6 months, provides initial EMT-B training for all members of the department, provide refresher training for all EMT-B's, provide CPR training for all members, develop and update department training manual, provides the department's testing and evaluations of tools and equipment. Provides paramedic training for department personnel. This bureau works out of 2 training centers, one located across from the Airport and both University of Toledo Medical Center and Scott Park Campus; provides training on Self-Contained Breathing Apparatus (SCBA) with the Sewer and Police departments as well as the Lucas County Sheriff's Office. The Training Bureau also interacts with the Ohio Fire Academy through the State Fire Marshal's office.

2016 Proposed Operating Budget

Non - Departmental

Non-departmental expenditures include those expenditures not allocated to a specific City department or division. These include operating transfers, utility payments for City owned buildings, street lighting costs, building and space rental and refuse collection services. Non-Departmental also includes the budgeted General Fund salary savings target for civilian positions.

Funding Sources:

Non-departmental expenditures are primarily General Fund.
