

OUR TEAM

Downtown Toledo Transportation Plan

The Downtown Toledo Transportation Plan is led by the City of Toledo and a Transportation Advisory Committee, with efforts supported by a consultant team. Thanks to all those involved in these efforts!

City Staff:

Stephanie Bartlett, PE, Division of Transportation

Gary Stookey, PE, Division of Transportation

Dave Dysard, Engineering Services

Tom Gibbons, Planning Commission

Transportation Advisory Committee:

A 10+ person committee shall be formed that is representative of the stakeholders exerting influence in the study area and its context. The Transportation Advisory Committee (TAC) will meet four times over the course of the project to guide the planning process, provide feedback, and aid in generating a full understanding of the study area. Below is a list of the members of the TAC:

- Cindy Kerr
- Lisa Householder
- Todd Audet
- Keith Webb
- Megan Vahey Casiere
- Rachel Bach
- Jason Binder
- Diane Keil-Hupp

Consultant Team:

Mannik & Smith Group (MSG)
