

Outside City of Toledo 2019 Utility Rates

Water Rate Information: The City of Toledo provides bulk water contracts based on Toledo rates for communities outside city limits. Toledo water rates in 2019 remain the same as water rates in 2018. Communities outside Toledo add local charges to Toledo rates for distribution, maintenance and repairs, meter reading, billing and customer service. Local jurisdictions can provide specific rate information for their residents.

Sewer Rate Information: Toledo also provides sewage treatment for areas outside the city. Toledo sewer charges are comprised of a fixed rate based on meter size, plus a volume charge based on water usage.
